

NIKE MAXSIGHT™ SEE SPORT BETTER

SPORT-TINTED CONTACT LENSES

(polymacon)

by  Bausch & Lomb

The visual edge you've been looking for.

Bring this certificate to your eye care professional and receive a **FREE TRIAL PAIR** of NIKE MAXSIGHT™ contact lenses by Bausch & Lomb.

Simply present this certificate to your eye care professional, who will conduct a thorough examination of your eyes. If, based on your exam, your eye care professional prescribes Bausch & Lomb NIKE MAXSIGHT™ contact lenses, you may redeem this certificate for your free trial pair. The offer is valid for first-time NIKE MAXSIGHT™ contact lens wearers as well as those being fitted for new contact lenses. Only your eye care professional can tell you which contact lenses are best for your individual vision correction needs, based on the results of a thorough eye exam. Replacement schedules vary. Consult your eye care professional to determine which replacement schedule is right for you. Limit of one free trial certificate per person. Offer limited to the continental United States, Alaska, and Hawaii. Not valid in Puerto Rico nor where prohibited by law. **This free trial certificate does not include the cost of an eye examination or any other professional fees.** Offer good while supplies last.
